## *Faden und Farbe für Fantasie ohne Grenzen*

FARBE HAT FUNKTION, FARBE GIBT FORM, FARBE MACHT STIMMUNG, FARBE ZEIGT WIRKUNG. FARBE KANN SO VIELES UND MIT AMANN GROUP METTLER IST ALLES MÖGLICH.

Seit vielen Jahren stellt die Marke Amann Group Mettler höchste Ansprüche an das ökologische Profil seiner Fertigung. Alle Produkte sind nach Öko-Tex®-Standard 100 geprüft. Das wichtigste internationale und weltweit anerkannte Prüf- und Zertifizierungssystem stellt sicher, dass die mit dem Label versehenen Textilprodukte hinsichtlich möglicher Schadstoffbelastungen gesundheitlich unbedenklich sind.

Unser hauseigenes Hightech-Farblabor ist die Quelle der Farbvielfalt. Hier entstehen neue Rezepturen, die exakt den Vorgaben und Anforderungen unserer Kunden entsprechen. Das Sortiment von Amann Group Mettler enthält auch attraktive Sets, ob als Geschenk oder als Farb-Set für den Eigenbedarf.

## *Threads and colours that set the imagination free*

COLOUR HAS FUNCTION, COLOUR GIVES FORM, COLOUR CREATES ATMOSPHERE, COLOUR MAKES EFFECT. COLOUR CAN DO SO MUCH AND WITH AMANN GROUP METTLER EVERYTHING IS POSSIBLE.

For many years the Amann Group Mettler brand has set high standards in terms of a sustainable manufacturing process. All products are tested according to Öko-Tex® standard 100. The most important international and globally recognized test and certification system ensures that all textile products bearing its label do not represent any health risks in terms of possible contamination.

Our in-house, high-tech colour laboratory is the source of our extensive range of colours. Here new formulas are created that satisfy exactly the specifications and requirements of our customers. The product range of Amann Group Mettler also contains attractive sets, whether as a gift or as a colour set for your own needs.

## *Du fil et de la couleur pour de la fantaisie sans limites*

LA COULEUR A UNE FONCTION, LA COULEUR ACCENTUE LES FORMES, LA COULEUR CREE DE L'AMBIANCE, LA COULEUR PRODUIT DE L'EFFET. LA COULEUR PEUT TELLEMENT DE CHOSES. ET AVEC AMANN GROUP METTLER TOUT EST POSSIBLE.

Depuis de nombreuses années, la marque Amann Group Mettler a des exigences des plus élevées vis-à-vis du profil écologique de sa fabrication. Tous les produits sont contrôlés sur la base de l'Öeko-Tex®-Standard 100. Le système international de contrôle et de certification le plus important, mondialement reconnu, garantit que les produits textiles pourvus de ce label sont sans risque du point de vue de la santé, eu égard à d'éventuelles charges polluantes.

Notre laboratoire hightech interne de couleurs est la source de la diversité des couleurs. C'est ici que sont créées de nouvelles formulations qui correspondent exactement aux directives et aux exigences de nos clients. La gamme des produits d'Amann Group Mettler comprend également des coffrets de fils qui seront très utiles pour vos créations mais aussi le cadeau idéal pour toutes les couturières exigeantes.

## *Fili e colori per fantasia senza limiti*

IL COLORE HA FUNZIONE, IL COLORE DÀ FORMA, IL COLORE CREA ATMOSFERA, IL COLORE È D'EFFETTO. IL COLORE HA MOLTE POTENZIALITÀ E CON AMANN GROUP METTLER TUTTO È POSSIBILE.

Da molti anni il marchio Amann Group Mettler attribuisce grande importanza al profilo ecologico della propria produzione. Tutti i prodotti sono certificati ai sensi di Öeko-Tex® Standard 100. Il principale sistema internazionale di verifica e certificazione, riconosciuto a livello mondiale, garantisce per i prodotti tessili dotati della sua etichetta l'assenza di sostanze nocive e dunque la sicurezza per la salute.

Il nostro laboratorio interno ad alta tecnologia è la fonte da cui scaturiscono tutti i colori. Qui vengono create nuove composizioni, esattamente corrispondenti alle disposizioni e ai requisiti dei nostri clienti. La gamma prodotti di Amann Group Mettler comprende anche dei Kit molto attraenti utili per tutte le vostre creazioni ma anche come idea regalo per le appassionate più esigenti.
